**ENVIRONMENTAL AUDIT (2015-16)**

The internal review of environmental management system for 2015-16 has been conducted by Environmental Cell.

Sr. No	Element	Findings
1	Environmental policy	The Environmental Management System has been framed for the institution. The policy aims at keeping the college campus clean, preserve the required greenery, create awareness among the students about environmental issues, reduce wastage of energy and have good housekeeping in the campus. The policy has been notified vide circular dated 23 August 2015.
2	Energy	Energy is a crucial resource. Economy in consumption of electricity is consciously followed. The electricity units consumed in 2014-15 (81,959) while that for the year 2015-16 is (78858) which is reduction of consumption by 4%. Suitable notice/stickers are kept in all the class rooms so that the students do not waste the power. Solar water system has been installed at Bhaikaka Hostel & Square Hostel. The environmental policy has been communicated to the students and other stakeholders.
3	Environment	The relevant environmental issues are addressed by the college in its activities. In all such activities the students are involved, so that they develop required concern about environmental issues. The students prepare various posters about environment conservation. Tree plantation was organized on 7 <sup>th</sup> August 2015 at village Kasor, Dharmaj (Dist. : Anand) where more than 500 trees were planted. In this programme, 45 students of different classes participated. The students' council organizes tree plantation during monsoon since 2003. Green business fair is organized since 2010-11. During the year, Green Business & Technology Fair was organized on 12 & 13 <sup>th</sup> February, 2016 to spread the

		message of green products and environment to the students and local society. The school students of Anand and Vallabh Vidya Nagar are regularly invited to visit the green fair/exhibition.
4	Housekeeping	The college building has been cleaned daily in the morning and evening. The class rooms are cleaned daily in the evening. Toilets are cleaned daily. A log book has been maintained for the same. An incinerator has been kept in the girls common room, which can take care to dispose of the sanitary napkins. Dust bins are kept in all the class rooms and in the corridor on each floor. The students are instructed to maintain good cleanliness in the college.
5	Garden	A Garden in the Green Square and outside the college building is regularly maintained by the Estate department of Charutar Vidya Mandal.
